Welcome Back Coffee – Volunteer Needed

We need someone to organize the Friends of Main Street (FOMS) Welcome Back Coffee. It's an easy task. The organizer asks for donations of breakfast items (muffins, bagels, fresh fruit, etc.) and arranges the coffee. The Welcome Back Coffee happens after drop-off on the first day of school. Please contact Tristen Somerville at tristens@comcast.net or Christine Binger kbinger@mac.com if you would like to organize this great back-to-school tradition and/or donate a breakfast item.

Here's to another great year!

Drop-off/Pick-up Procedures

The following drop-off/pick-up procedures are designed to keep your children safe and keep traffic moving through the parking lot. Please observe the procedures and be good (and courteous) role models for your children.

- Do not park in the **crosswalk** or **"No Stopping" areas**.
- Do not park in the **handicapped spots without a handicapped placard**.
- Do not park in the two **"Reserved" parking spots**.
- Children must be **dropped off AND picked up in the drop-off/pick-up line only. Do not drop children off anywhere else in the parking lot.**
 - Keep the flow of cars moving. Do not leave your car unattended in the drop-off/pick-up line.

- Please observe the 5 MPH speed limit.

Thank you for adhering to these procedures. Your patience and cooperation are greatly appreciated!

Do Not Park on Sevilla Drive

As part of our EIR ("Environmental Impact Report"), we agreed that parents would not park on Sevilla Drive or the surrounding streets.

Parking in Front of the School

Do not park on Main Street in the red zone between the school's entrance and exit lanes. People who are exiting the parking lot cannot see oncoming traffic if cars are parked in the red zone. In addition, the police have ticketed cars parked along the red curb.
